"In my opinion Bay House Sixth Form has provided me with an incredibly supportive learning environment to allow me to undertake my studies. From personal experience, all of the staff I have encountered over the past two years, in particular subject teachers, have pushed me to better myself. The support and encouragement I received in my time at Bay House was outstanding and definitely positively shaped the approach I had to my studying and examinations. Coming from a completely different school gave me different challenges to a number of my peers at the Sixth Form; however, I feel that I was able to settle in very quickly and has allowed me to get to know some incredible people. My experience at Bay House has been overwhelmingly positive, and I'm sure I'll miss it all as I move forward."

"After completing my two years at Bay House, I feel choosing to attend here was the best decision possible. The staff are fantastic and never hesitate to help you if you ask for support. The friendly atmosphere and support from all teachers made the transition from school to sixth form very manageable. Overall, these two years at Bay House have been challenging as well as enjoyable."

"Bay House is a truly exceptional school. The Sixth Form team, individually and as a whole, really do aim to help each student. The pastoral system is without fault and I can't help but be beyond grateful for everything they have done to help me and my peers. The teachers listen to you as a student and feedback is well received, they are always looking how to improve your experience. I am extremely thankful to have gone to Bay House because they truly care about you and want you to do the best of your ability."

"The relaxed atmosphere, commitment to study and supporting environment at Bay House mean that these two years have been incredibly challenging yet rewarding. The dedication of all the staff and the friendly students helped to relieve some of the pressure of A Levels, as well as giving me a strong foundation for university and beyond. I'm so glad I made the decision to come here and couldn't be more thankful to everyone at Bay House for the continued support."

**Tino**  
Bay House  
"Bay House Sixth Form has been a pivotal point in my development and growth, not only educationally but also as a person. The amazing support and care received has shown me why Bay House is a great Sixth Form. I have received help from the wonderful sixth form team at all times that I have needed it and then felt happy and secure throughout the stressful experience of A Levels. Even though at times things may have been difficult, staff were more than happy to help regardless of it being school work or external things from education. Being at Bay House for secondary school too, I had no doubt it would be the college I would choose, and evidently after 8 years still have no regrets as it has served to be some of the best moments of my life so far."

**Jack**  
Bridgemaury

“The step up from Bridgemaury to Bay House Sixth Form was incredible but is manageable if you give it the time and effort it needs. The entire staff in the Sixth Form are incredibly supportive in helping you do so, and this comes from friends, teachers and the admin office, all of who go above and beyond their jobs to help create a work environment tailored to you so you work and achieve the very best. The support extends past school hours and the job description too, into help with worries and other issues such as UCAS and post-18 decisions. The close environment of the Sixth Form is also a huge help due to allowing me to make so many new friends, who I believe I will know for many more years. I’ve loved every aspect of Bay House, including the challenge, and I have no doubt made the right decision. I seriously can’t be thankful enough to everyone who made my two years what it was.”

**Phoebe**

“The last two years have not been easy: A Levels are challenging and the work is often demanding. Nevertheless, the genuine care of the Sixth Form Office about each student and the dedication and support of the teachers has made it so much easier. The best aspect of Bay House is how personal it is. All the Sixth Form Office know your name and time is invested in each and every student. You don’t get that at other colleges and it makes Bay House special.”

Having a fantastic tutor and an amazing set of teachers made the two years awesome.

Bay House

“I couldn’t recommend Bay House highly enough. The smaller class sizes mean the teachers are able to focus on your queries a lot more than in secondary school. They do a fantastic job supporting students and are willing to help you with any problems but also will push you to achieve the highest grades possible. They also do a brilliant job supporting you through the UCAS applications. An extremely welcoming Sixth Form that I can’t thank enough for the amazing job they’ve done the past two years.”

**Amber**

Bay House

“Throughout my time at Bay House, I have always been motivated to achieve my best by receiving the highest level of teaching and support in an incredible working environment. From starting my journey at Bay House in year 7

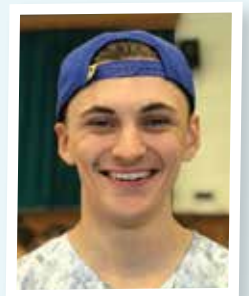

to now leaving the sixth form, I can honestly say I have consistently seen how everyone goes above and beyond your expectations. Although challenging, there is no place I would have rather studied and I feel privileged to have met so many amazing people that have shaped me into the person I am today.”

I was also given all the support I could ever need whilst undertaking challenging exams. Having a fantastic tutor and an amazing set of teachers made the two years awesome.”

Moving to Bay House Sixth Form was the best decision of my life! The quality of teaching is exceptional.

“To say that A Levels are challenging would be an understatement; however, Bay House provided me with immense support and guidance throughout the 2 years for which I am very grateful. Bay House provide an environment where you are able

to strive and achieve your full potential, they encouraged me to push for the top and assisted me with anything I needed, big or small. I have very much enjoyed my journey throughout Bay House and have made many memories which I will be taking away with me.”

**Hrshika**

Brune Park

“Bay House has really helped me achieve my full potential by pushing me to do my best. When I first moved here I was struggling to grasp certain concepts due to the huge jump from secondary school to Sixth Form. But the teachers are so incredible as they’re so supportive and willing to help with any queries I had. They provide one to one sessions to ensure I have cleared my doubts and understood the topic thoroughly. They’ve taught me to become independent and assertive. I’m so thankful to everyone that has helped me and supported me throughout my time at Bay House.”

**Joseph**

Ryde School with Upper Chine

“Moving to Bay House Sixth Form was the best decision of my life! The quality of teaching is exceptional and all of my teachers are approachable, knowledgeable, reliable and you know that your A Levels are their top priority. I will miss them a lot when I leave. Bay House has provided me with a sense of purpose, making me realise what direction I should take and allowing me to recognise my strengths and how to use them. I am very grateful for my Bay House experience.”
