There are more details on our webpage:

<https://portsmouthharbourmarine.org.uk/events/gosport-marine-festival-2021/> and on the Portsmouth Harbour Marine Facebook page: <https://www.facebook.com/PortsmouthHarbourMarine>

We have more than 600 on the water sessions available. Most activities will require pre-booking, but we'll be taking stand-by entrants to each activity in case of no-shows. The booking system will open shortly, please keep an eye on the webpage and Facebook page for details.

This volunteer organised event aims to inspire families in Gosport to have fun on the water, to try a new sport in a fun, friendly and safe environment. Living in an area surrounded by water, with 24 miles of coastline on three sides, it's important that every youngster has the opportunity to enjoy the water while, at the same time, having knowledge of water safety.

There's plenty to see and do for everyone, just come along and enjoy a day out with an excellent selection of refreshments and entertainment on offer.

We can't wait to welcome you all on board on Saturday 4th September 2021.
