Oxbridge places in Medicine and Engineering, with many other Medicine places secured elsewhere

Kieran
Crofton

"My experience at Bay House has been very good. Teaching is exceptional. You have teachers that will go completely out of their way to help you. The format regarding free periods and study sessions strike a brilliant balance between work and socialising. I now feel fully prepared for the level of independence that university requires and I'm sure that the study skills I have learnt here will be incredibly useful later on in life."

Alison
Crofton

"I really enjoyed my time here. The teachers have all been lovely and extremely supportive. I especially enjoyed working on my EPQ in the second year as I was able to study interests of mine (music and climate change) in depth. Being able to study four subjects in the first year was a massive pull for me as I was confused what I wanted to study. Looking back, I think taking three at the start would have been a bit of a gamble as A Levels are extremely important and can shape your future opportunities."

Mariella
Peter-Joerres Gymnasium

"I was given a lot of encouragement and the staff were really helpful. All the students I met were very nice and this was important as I don't originally come from the area. You can get fantastic grades at Bay House Sixth Form. It is with this help and support that I was able to achieve my ambition of studying Medicine at Oxford University."

The fact that Bay House Sixth Form is small and homely helps you settle in quickly.

Cameron
Meoncross

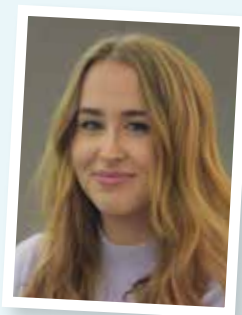

"The fact that Bay House Sixth Form is small and homely helps you settle in quickly, especially if you are arriving from a different secondary school. The teaching is excellent and inspired me to achieve grades beyond my predications. I was really happy at Bay House and would recommend it as a place to study to all students finishing their GCSEs. I couldn't contemplate studying anywhere else."

Dwijesh
Bay House

"All the teachers are incredible and they hold a special place in my memory. Bay House Sixth Form students all strive for the best and the teachers do absolutely everything to help them on their journey. I've made amazing progress while studying at Bay House and am so pleased that I made the choice to take my A Levels here. I'm looking forward to going to university but will miss Bay House Sixth Form very much."

Teaching is exceptional.

Nancy

Bay House

"I have loved my experience at Bay House Sixth Form. It has allowed me to expand my knowledge and fall in love with subjects such as History and Politics. I have also made friends for life and I attribute that to Bay House. There is no better place to be. Not only am I delighted with a great set of grades, I also have memories that'll last a lifetime."

Being able to study four subjects in the first year was a massive pull for me.

Fiona

Brookfield Community School

"I have really loved my time at Bay House. The teachers and the students are so lovely and I have found a group of amazing people that I would never have met if I had gone

elsewhere. I love the small community feel of Bay House. I feel I know my whole year group, which is definitely not something you find in other colleges. The teachers are kind and helped me out through some tough times. The jump from GCSE to A Level can be really tough and the students here really benefit from small class sizes. I could not recommend anything any more!"

I have shocked myself at what I can achieve.

James

Brune Park

"I have had a really positive experience and Bay House Sixth Form helped me make the jump from GCSE to A Level. I made many new

friends and it feels much more like a community of equals compared to other places. If I had to make the decision where to study my A Levels again, I wouldn't hesitate in choosing Bay House. I previously studied at Brune Park and found the transition to Bay House really easy and straightforward."

Tomas

Crofton

"My time at Bay House Sixth Form has been positive for many reasons. There is a high standard of teaching and the teachers really

pushed me to achieve as much as I could. The provision of study periods helped me improve my grades and the revision sessions towards the end of the Upper Sixth gave me confidence going into my exams. Exams can be stressful experiences but on these occasions I enjoyed demonstrating what I had learnt."

Christopher

Bay House

"The last two years at Bay House has been the most challenging but also the most rewarding. The combination of support and excellent teaching had a positive impact on my learning and aided me in achieving top grades. I would highly recommend Bay House to students who want to feel supported and able to do the best they can."

I couldn't contemplate studying anywhere else.

Grace

Brune Park

"My time at Bay House has been amazing. I have shocked myself at what I can achieve and received a brilliant level of support. The teachers have constantly encouraged me and supported me whenever it's been needed. I came to Bay House with pretty basic GCSE results and left with AAB! If someone had said to me a couple of years ago that I'd end up with these results, I wouldn't have believed them! I recommend Bay House to anyone who wants to get great grades and do better than expected."

Amie

Crofton

"My experience has been very positive and I have been encouraged to have a good work ethic. I have had challenges along the way but have felt very supported by all of my teachers. I've felt that I've been able to contact them at any time and this has helped me stay calm under pressure and feel prepared for the challenge of exams. I've had a really enjoyable time at Bay House Sixth Form."

I love the small community feel of Bay House.

Ofsted comments

The sixth form is outstanding in all respects.

Achievement in the sixth form is exceptionally high, enabling students to move on to universities and employment of their choice. Over a third gain admission to leading universities, a much higher proportion than that found nationally.

Teaching in the sixth form is of a very high quality. Students are motivated by their teachers to aim for the highest grades possible and given the skills to reach them.

The leadership of the sixth form is outstanding in all respects.
