"My time at Bay House exceeded my expectations in so many ways. Help was always just around the corner if I needed it and all the teachers were caring and supportive in whatever I chose to do. I found friends here that I've

made so many memories with and I know I'll stay in touch with them after we leave. I truly feel that attending Bay House gave me the best opportunity to achieve what I wanted and needed to and I would do it all again if I could!"

Lewis

Crofton

"My time at Bay House has been the highlight of my educational career. It provided a chance for me to develop as an individual and to achieve my full academic potential. The teachers were always there, providing excellent teaching in a more relaxed style and with world class resources to ensure we all could reach success and enjoy the learning experience they had to offer."

Liz

Bay House

"Continuing my academic career at Bay House was an easy decision, given both its history of outstanding results and the assertions about the support and opportunities available to students who choose to come here. Initially I was unsure which subject I wished to continue studying at university, but there was a wealth of advice and support available from my tutor and subject teachers. Furthermore, my subject teachers were always at hand on the end of an email to help with any issues I had concerning essays and grades, ready to give individual and focused advice. Studying at Bay House has been a delight!"

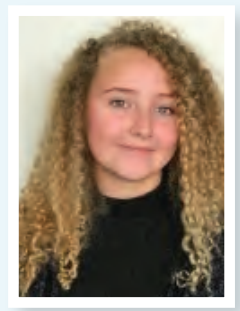

Teachers are always available to give extra support and go above all expectations to ensure that you can reach your goals.

Holly

Brune Park

"Throughout my time at Bay House, I have experienced continuous support and encouragement both from staff and my peers. Teachers are always available to give extra support and go above all expectations to ensure that you can reach your goals. The Sixth Form team are also there to support you both educationally and emotionally. Despite the fact that A levels can be challenging, there is always someone there to help and the students at Bay House work as a team to support each other in achieving their goals. I truly could not have asked for a better Sixth Form experience!"

Jodi

Brune Park

"The step up from secondary school was one of the most challenging things I've ever come across, but I can honestly say that my two years at Bay House Sixth Form were the best so far! My time at Sixth Form was full of the most supportive teachers and I have made friends to last a lifetime. I was heartbroken to find out our time at college had to be cut short but, without a doubt, I'll be back whenever I can!"

Harry
Bay House

“Joining the Sixth Form was a real change for me, not only did it allow me to choose the subjects I really wanted to study, which made the lessons more relevant to my career choice and therefore more enjoyable, but the work ethos is different, you have to focus and set your own goals. The teachers are always there to help, advise and support, but to really achieve you have to be self motivated and disciplined, with a constant eye on how you can improve, this makes for a very

challenging and rewarding environment. Before you start thinking that Sixth Form is nothing but a slog you would be wrong; yes it was very hard work, however there was still plenty of time to spend with my group of friends. We all shared each others’ highs and lows (luckily not too many lows...). Knowing them, laughing and joking with them, has made my time at the Sixth Form all the more fun and memorable.”

Sixth Form has been the best, the support, opportunities and people were all fantastic. I can’t imagine going to any other college to do my A Levels.

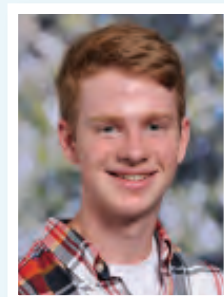

The pastoral care from the sixth form staff and teachers is second to none and I felt truly supported throughout my journey at Bay House.

Diane
Brune Park

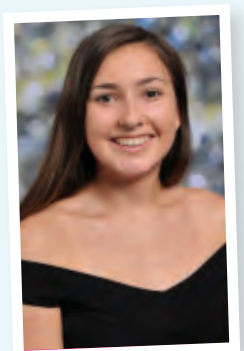

“Studying at Bay House Sixth Form over the last 2 years has been incredibly rewarding. The outstanding support from my teachers, Sixth Form Team and

Office, both in and outside of lesson time, has shown their true dedication to their subjects. The teaching at Bay House encourages students to strive for their best, while resources and support is always readily available. I have found A- Levels challenging, but the pastoral care, extra curricular activities, and amazing friends I have made over the years have made my time truly inspiring and encouraged me to achieve my potential.”

Matt
Bay House

“Bay House was the only college I applied for. Some may say that’s stupid - but I really wanted to stay on with what I loved and I’m so glad I did. Sixth Form has been the best; the support, opportunities and people were all fantastic. I can’t imagine going to any other college to do my A Levels. I feel like we all hit the jackpot when we were accepted. Bay House helped me realise what I want to do with my life and opened a load of new doors for me too. From two fantastic productions to an amazing trip to Berlin, discovering I like to sing, to discovering a huge interest in American politics. I honestly don’t think any other college comes close to Bay House. That may be a bit biased, but it’s also a bit true. Sorry everywhere else!”

Lottie
Bay House

“Bay House has provided me with the support to achieve my full potential; this was only possible due to the individual attention and commitment from all of my subject teachers. I

was provided with one-on-one tutorials, detailed feedback and a diverse mix of learning resources. Outside of my chosen subjects, I enjoyed a varied range in extra-curricular activities from dance classes/performances to international trips, which enriched my two years of study. My enduring memory of Bay House has been the friendships I forged and the connections I’ve made with likeminded people who share a common work ethic and mutual desire to reach our full potential. The pastoral care from the sixth-form staff and teachers is second to none and I felt truly supported throughout my journey at Bay House. I could not be more grateful to all the staff who have made my experience so enjoyable. Not only will I leave Bay House with a greater knowledge of my chosen subjects, but having developed as a person, more able to take on University and any other future endeavours.”

...excellent teaching in a more relaxed style and with world class resources...

Beth
Crofton School

“I have had the most amazing two years at Bay House Sixth Form. It’s a place that really brings out the best in people and values each individual student. With the small class sizes and great teaching, you can be confident that you’re given the best opportunity to get the best grades you can. It can get tough as A Levels definitely are not easy, but there is so much support in place for students. I have made amazing friends there, and will look back on Sixth Form with fond memories.”

* The 2019 Examination Results are included here following the Government announcement that it will not publish any school or college level educational performance data based on tests, assessments or exams for 2020.

“ 90% of students secured a place at their first-choice university

“ 40% (nearly four times the national average) of students secured a place at a Russell Group University

Ofsted comments

The sixth form is outstanding in all respects.

Achievement in the sixth form is exceptionally high, enabling students to move on to universities and employment of their choice. Over a third gain admission to leading universities, a much higher proportion than that found nationally.

Teaching in the sixth form is of a very high quality. Students are motivated by their teachers to aim for the highest grades possible and given the skills to reach them.

The leadership of the sixth form is outstanding in all respects.
