“Teaching is passionate and personalised to the needs of all students. Bay House is located near a beautiful beach and some of my most positive memories are of spending lunchtimes relaxing in the sun or even getting ice cream and food in the summer. The Sixth Form team is compassionate and eager to get involved in student concerns. This was particularly helpful when applying for universities and preparing for university interviews.”

“Bay House Sixth Form is devoted to ensuring the best outcomes for their students. It also creates a grown-up atmosphere where you can independently study and have your own relaxation space away from the main school, which I found helped the transition from secondary learning. One of my most positive memories was meeting new people and being in classes with other students that are there to learn and have a shared passion for the subjects under study.”

"I would recommend Bay House because the teachers provide such a high level of knowledge in every class. The classes are smaller than usual which is really useful as you can receive more tailored help, form a greater bond with your classmates and get more help. I'm so pleased that I was able to study here for my A Levels!"

"I stayed at Bay House after my GCSEs because of the high grades they have achieved. I now understand how they get such high grades: the teachers are amazing and I couldn't thank them enough for their support. I have found a love of Politics that never existed before and am now taking it at degree level."
