

March 2022

Dear Parents/Carers

**REMINDER: Arbor App and Arbor Portal**

All GFM Schools now use a student database called Arbor which allows you as parents to log in and see key information about your child including attendance data, timetables and student reports.

As part of this, we are delighted to launch with you our Arbor Parent Portal which enables you access to your child's dashboard and account. You are able to access the Arbor Parent Portal either directly via the website or via the Arbor Parent Portal app which you can download via the app store. Further details about how to download are below.

To log in, please visit the following website: <https://bay-house-school.uk.arbor.sc/>

Or download the Arbor Parent Portal App via:

- [Google Play Store](#)
- [Apple App Store](#)

To log in either via the website or the app you will need to use the email address that you have registered with the school.

Click on the 'Forgot your password?' button and follow the instructions given.

To see your child's report, click on the 'Quick Actions' and then 'Report Cards'.

For further technical support or more information please see the [attached Arbor Parent Portal guide](#).

Finally, if you require any additional support please do not hesitate to contact the Year Office.

We hope, like us, you find our new Arbor Parent Portal a really useful and helpful function.

Kind regards,

The Sixth Form Team
