CLUBS

catalogue

SPRING

Welcome to the Spring Clubs Catalogue 2024. Here you can find everything that is on offer to our pupils before school, at lunch and after school to enrich their experience. These clubs are run on a voluntary basis by our staff and feature an exciting range of opportunities to suit everyone's tastes, from Crafting to Cricket, Manga to Mathletes!

All pupils need to do is turn up to sessions that interest them and join in. There is no obligation to stay and they can take friends along with them too. If there are any questions about the club they can approach the member of staff listed and have a chat about what to expect and anything they might need to take along.

All clubs are free of charge and offer unique chances to build skills, develop friendships and have fun.

Knitting, Crafts and Wellbeing Club | Open to all years
