

EAL

Community Event

When: Tuesday 20th June.
4:00pm - 5:00pm

Where: The Community Hub Brune
Park School, Military Road,
Gosport PO12 3BX

Come along to our community event open to anyone in the Gosport community to meet new friends and get to know other members of the community. This event is targeted at our EAL families but is open to all! Light refreshments will be provided.

The EAL team from the GFM will be here to discuss any questions or worries you may have about how our EAL learners are supported in school and will provide ways in which you can help develop language skills outside of the classroom.
