

BAY HOUSE SIXTH FORM - TERMLY BUS PASS

How to get an mTicket: The First Bus App allows you to buy and load bus tickets to your mobile phone.

If you are currently in receipt of/eligible to receive free school meals, we may be able to help you with funding of a bus pass. If you would like more information please contact the sixth form team. More information about this including the price will be issued in the summer.

N.B - First Bus recognises that whilst most students now have a "smart" phone, there may be some circumstances where an mTicket is not a suitable option. Please contact estarkie@kgabayhouse.uk and alternative arrangements can be made. Such tickets will incur a small administration fee of £10 over and above the cost of the mTicket price.
