1: Supporting Post-16 Education in the GFM

Good attendance is a prerequisite for success. Monitoring attendance is therefore a vital part supporting students in the course of their studies.

Registration

- All students must be present for registration at the start of each timetabled period
- Teachers and Tutors must take their register promptly
- Texts will be sent home to parents if an absence is unexplained
- Tutors and teachers constantly reinforce the importance of good attendance and punctuality for achieving success

Lateness

- If a student is late, they should be marked as an L
- If a student arrives past registration, they should sign in with the Sixth Form Office
- If a student is late more than five times every half term, they will receive 2 extra studies.

Booked Absence

- Students must complete the yellow form entitled *Notice of Absence*. Evidence in the form of an appointment card etc is required to authenticate requests.
- The school cannot authorise family holidays during term time.

Illness during a School Day

- Students or parents must let the Sixth Form Office know by 9 a.m. on any day and each subsequent day where a student is unwell. Students can self certify their absence for up to 2 consecutive days. After the second day, we will need notification from a parent or carer. If there are more than 10 absences in a year, students can no longer self certify.
- If a student feels unwell during the day, they must gain permission to leave school from the Sixth Form Office. A parent/guardian will be informed when the student leaves school. The student must go to the Sixth Form office to sign out.
- If a student has a medical appointment during the day, the student must take proof of the appointment to the Sixth Form office and they must have completed the yellow *Notice of Absence* form.

Standard Operating Procedure – Sixth Form Attendance

- The school will alert parents about student absence via text.
- Attendance below 95%: The student's Tutor to make contact with the student
- Attendance below 90%: The Year Office make contact with the student and home. Students will be supported to ensure that they are on track. Students are supported by our 'Catch Up and Keep Up' programme. This involves the student conducting a check-in with their teachers to ensure they are up-to-date and extra studies being scheduled.

Poor Attendance

- Weekly attendance reports will be shared with tutors
- The school has a clear disciplinary procedure about persistent absence without medical explanation, which is viewed as defiance of our expectations concerning student conduct.

4 Weeks Consecutive Non Attendance

- The Education Funding Agency, which pays for Sixth Forms in England, will not fund any student with four weeks consecutive absence from school without medical notification. Hence, in line with this funding rule, and in line with Kings Academy policy, if students do not attend school for four weeks and do not provide such notification, they will be taken off roll. The school will send a form letter home explaining that someone has been taken off roll so that parents are clear that this has happened.

Attendance and Exam Entry

- In line with DFE guidance, King's Academy will not pay the exam entry fees of any student with overall attendance under 80%.
- Students will be charged for examinations where they do not attend without a substantiated reason, such as medical intervention or serious incident.
